Tip: Reservations and Bookings: What Is the Difference?

A Reservation is the purpose of the event. In EMS, a reservation is the who (the meeting organizer) and the what of an event. A Reservation contains one or more Bookings. For example, you (the who) can reserve some space for a staff meeting (the what).

A Booking is the where and the when of an event. For example, you can schedule the large auditorium (the where) for a staff meeting on the second Monday in January (the when). There are one or more Bookings in a Reservation.

Surplus Disposal Requests

A surplus disposal request is submitted when you need to dispose of furniture, computer hardware, lab equipment, or office equipment. This includes refrigerators, freezers, microwaves or any item that contains electronics.

There are two options used to submit a disposal request depending on the item being disposed and its location, campus/building.

1. **EMS Web App option:** [https://schedule.ucdenver.edu/emswebapp/](https://schedule.ucdenver.edu/emswebapp/)

For non-capital furniture and computer hardware located in the following campus/building combinations, submit your disposal request through the EMS Web App using the link above and the instructions starting on the next page. “Non-capital” means that the initial cost of the item was less than $5,000 and it does not have an asset tracking tag.

- **Anschutz Medical Campus**
  - Item located in any building except University Hospital (CU Health), CU Medicine, Children’s Hospital, Leprino, Bioscience 1 and 2 or any leased space: Use template [Disposals - CU Anschutz](https://forms.ucdenver.edu/secure/finance_am_disposal_request).
  - Item located in University Hospital (CU Health), CU Medicine, Children’s Hospital, Leprino, Bioscience 1 and 2 or any leased space: Use template [Disposals - Non-CU Owned Buildings](https://forms.ucdenver.edu/secure/finance_am_disposal_request).

- **Denver Campus**
  - Items in CU owned buildings, LSC, CU Building, Student Commons, Business School and Health and Wellness: Use template [Disposals - CU Denver](https://forms.ucdenver.edu/secure/finance_am_disposal_request).
  - Items located in Denver Campus leased space: Use template [Disposals - Non-CU Owned Buildings](https://forms.ucdenver.edu/secure/finance_am_disposal_request).

Instructions for submitting a request in the EMS Web App begin on the next page. Additional questions can be sent to Layna.Johnson@cuanschutz.edu.

2. **Formstack form option:** [https://forms.ucdenver.edu/secure/finance_am_disposal_request](https://forms.ucdenver.edu/secure/finance_am_disposal_request)

For all items that require a GREEN TAG, are over $5000 or have an asset tag, or campus/building combination not covered by the EMS Web App option, submit your disposal request on the Formstack disposal request form using the link above.

Feel free to email Finance.AM@ucdenver.edu with any questions on how to complete the Formstack disposal request form.
