## Statement of Purpose

The collegiate experience is a blend of the curricular and the co-curricular working together to enhance total learning. The goal of the Amplified Sound Event Agreement is to facilitate an environment that nurtures academic excellence, as well as opportunities for social, cultural, and personal development. In order to accomplish this, events using amplified sound will be planned in a manner that respects all constituents of the campus community and the surrounding areas.

*All requests for amplified sound in outdoor spaces must be submitted to Auraria Campus Event Services no less than 14 days prior to the event.*
