</tbody>
</table>

ADDITIONAL RESOURCES FOR ALL RESIDENTS:
Your mental health is just as important as your physical health. In addition to having access to a network of providers through the CU GME Health Benefits Plan, all CU GME trainees can take advantage of these additional resources to help monitor and manage your mental well-being.

Resident and Fellow Mental Health Clinic
Decreases barriers to care by offering evening and same-day appointments and 24/7 on-call coverage by University of Colorado School of Medicine psychiatrists, psychologists, and an advanced practice psychiatric nurse. In-network for CU GME Health Benefits Plan. Call 303-724-4716 (business hours) and 303-370-9127 (after hours); smhservice@ucdenver.edu (e-mail for appointments only).

CPHP
The mission of Colorado Physician Health Program is to promote the health and well-being of physicians and physician assistants through evaluation, treatment, referral, support, education and research. Learn more at www.cphp.org.

Colorado State Employee Assistance Program
Residents have access to the Colorado State Employee Assistance Program, C-SEAP, https://www.colorado.gov/pacific/c-seap/confidential-counseling which provides active State Employees with confidential, cost-free counseling and coaching for issues including relationship concerns, depression, grief and more. Contact C-SEAP directly with questions about available services.

Colorado Crisis Services
“Colorado’s first statewide resource for mental health, substance use or emotional crisis help, information and referrals.” Call in or walk-in access to crisis services. www.coloradocrisisservices.org or 1-844-793-TALK(8255).

Local Support Groups information and meeting time/locations
Alcoholics Anonymous www.aa.org
Denver Area Alcoholics Anonymous www.daccaa.org
Colorado Narcotics Anonymous www.nacolorado.org

National Suicide Prevention Lifeline
https://suicidepreventionlifeline.org or 1-800-273-TALK(8255).

Emergency Services
In an emergency, call 911 or report to the nearest emergency room.
