

I-9 Training for Non-CU Affiliates:

- Open the HireRight Webinar <https://www.youtube.com/watch?v=BVwq8LRCpwl&feature=youtu.be>
- Once you have listened to the entire HireRight training document, email HR.I-9@ucdenver.edu to inform them that you have completed the training.
- You will also need to email Tiffany.Roth@anschutz.edu and provide a list of programs you are the coordinator for and provide your contact info (name and email).

Once this is done, GME will coordinate Section 1 of the I-9 and invite you and your residents and fellows to complete Section 2 within HireRight **a few days after your trainees' start date.**
