Letters of Recommendation (as appropriate to the situation)

Situation A: Copy of the official letter granting the candidate tenure at the current institution

Candidate is currently a tenured associate professor at a comparable institution, and requests tenure as an associate professor.

Situation B: Copy of the official letter granting the candidate tenure at the current institution
AND

three external letters of evaluation for promotion to the rank of professor OR letters of recommendation for hire

Candidate is currently a tenured associate professor at a comparable institution, and requests tenure and promotion to professor.

Situation C: Copy of the official letter granting the candidate tenure at the current institution
AND

copy of the official letter granting the candidate the rank of professor at the current institution

Candidate is currently a tenured professor at a comparable institution, and requests tenure and the rank of professor.

Situation D: Copy of the official letter granting the candidate the current rank at the current institution
AND

three external letters of evaluation for the award of tenure

(a very unusual situation): Candidate is not currently tenured at another institution, but has a record that clearly meets the Campus' standards for tenure. This would most likely only occur if the candidate is at a program/institution that does not grant tenure.

External Letters if required (if the letters of recommendation for hire are not used or if the candidate is not currently tenured at another institution)

I have reviewed this candidate's dossier and affirm that it is complete and is consistent with University policy.
