CU Anschutz Employees and Students,

We are thrilled to share that we are partnering with Care@Work by Care.com to bring you a new family care subscription program. We know that finding the right care for your family can be difficult, and COVID-19 has created new challenges for all of us.

To help you navigate this difficult time, we are providing premium Care.com subscription memberships to all CU Anschutz Medical Campus employees and full-time students, as well as subsidized backup care to CU Anschutz Medical Campus and consolidated and administrative services (CSA/ASA) employees who are 0.5 FTE and above.
