

Americans with Disabilities Act Reasonable Accommodation Procedure

Step 1: The employee/applicant contacts the ADA Coordinator for the University of Colorado Denver | Anschutz Medical Campus and obtains the Reasonable Accommodation Documentation Form.

The ADA Coordinator may be contacted at:
Phone: (303) 724-9686
Email: HR.ADACoordinator@ucdenver.edu
Mail: P.O. Box 173364, Campus Box A005/130

Step 2: Employee takes the form and a list of essential job functions (or a description of the application process) to his/her medical professional. The essential job functions may be found on the job description, job posting or performance plan. The medical professional completes and signs the form. Employees should be aware that their medical professional may require the employee/applicant to sign a medical release form.

Step 3: The employee/applicant submits, or requests the medical professional submits, the completed form to the ADA Coordinator. Please be aware that it may be necessary for the ADA Coordinator to consult with the medical provider. If so, the employee/applicant will be asked to sign a release form.

Step 4: The ADA Coordinator reviews the form and engages the employee/applicant in an interactive process to identify appropriate reasonable accommodations. This may require an assessment by a third-party vendor, such as Assistive Technology Partners or another entity. The employee/applicant's department generally must fund the evaluation; there is no general university fund for this purpose.

Step 4: Employee's department or other University management provides information to the ADA Coordinator to determine whether the request for accommodation causes undue financial or administrative burdens, fundamental alteration to a program or activity, or significant risk to health or safety to self and/or others. The employee/applicant's department generally must fund the request; there is no general university fund for this purpose.

Step 5: ADA Coordinator informs the employee/applicant whether appropriate reasonable accommodation has been identified. The ADA Coordinator will follow-up with the employee and responsible department to ensure the accommodation is implemented.

The Americans with Disabilities Act (ADA), as amended, requires that the University of Colorado Denver provide reasonable accommodations to qualified individuals with disabilities who are employees or applicants for employment, and for persons who participate in or apply for participation in the University's programs and activities. Exceptions to the obligation for providing accommodation may be made if doing so would cause undue financial or administrative burdens, fundamental alteration to a program or activity, or significant risk to health or safety to self and/or others.
