

# UNIVERSITY OF COLORADO - ANSCHUTZ MEDICAL CAMPUS

## REQUEST TO TAKE A CLASS FOR NO CREDIT

Students may not audit courses at the Anschutz Medical Campus; however, they may register to take a credit course for no credit. To do so, registration must be completed during the add/drop period and prior to census. Students taking a course for no credit will be charged regular tuition and fees for the course. No grade or credit for the course will be awarded. After the add/drop period ends, students may not register for a new course as no credit or change an existing course to no credit. The transcript will reflect the name of the course taken and a notation of "NC" in the grade area.
