Tenured Faculty Professional Development Fund Summary: Academic Year 2024

Prepared by Karen Sobel

20 September 2024

Brief Description of Fund

The Tenured Faculty Professional Development Fund came into existence in Academic Year 2024 after tenured faculty made requests to Provost Nakuma. The Office of the Provost provided initial money for this fund in Academic Year 2024. Tenured associate and “full” professors are eligible for this fund. Opportunities must support their research & creative activities.

\$20,000 in funding was available in Academic Year 2024. Applicants were eligible for \$1000 in funding; matches were required.

Summary of Awards
