ThingStudio Unconference 2024

March 8th, 2024 || 9:00 - 2:00 PM
Learning Commons 3rd Floor

Examining Dominant Narratives in Academia

The 7th annual ThingStudio Unconference will host Dr. Travis Heath as the event's 'Un'keynote. Dr. Heath will guide a discussion and exploration of potentially harmful and limiting narratives in academia. Unconference participants will use community knowledge to move counter-ideas and philosophies into practices in the service of beginning to reimagine what might be possible in the classroom and beyond.
