Printing in The Hub

Printing Notes:
- To print in black and white you will select the B&W printer (this is the default)
- To print in color you will select the Color printer
- When printing, you will use a passcode of your choice at each login, which will prevent your items from getting lost and protect HIPAA data

1. Select your printer, if needed

2. Press OK

3. Set your passcode and confirm

4. Press OK

5. Retrieve your document at the printer by using your passcode
