

PARTICIPATE IN RESEARCH!

This research study will take 5-6 sessions, investigating the impact Socially Assistive Robotics have on motor communication and cognitive skills of children with disabilities. We need children to test some of the sensor systems of our Socially Assistive Robot!

 **Assistive Technology Partners**
COLLEGE OF ENGINEERING AND APPLIED SCIENCE
UNIVERSITY OF COLORADO DENVER | ANSCHUTZ MEDICAL CAMPUS

Who?

Children ages 18 months to 5 years with motor and communication disabilities/delays

What?

Participate in a research study to learn more about Socially Assistive Robots!

Why?

Testing sensor systems for our Socially Assistive Robot!

If you would like to take part in our research study, or for more information, **please**
