(Virtual Lecture- Zoom Link: https://zoom.us/j/293160798)

Hemophilia Gene Therapy: A Case Study of Gene Therapy for Inherited Disorders

This presentation will discuss new overview of AAV-mediated gene therapy for hemophilia, including outstanding basic and clinical and this information applies to the development of gene therapy for monogenic disorders.

Lindsey A. George, MD
Tenure Assistant Professor of Pediatrics
Perelman School of Medicine at the University of Pennsylvania
Attending Physician, Division of Hematology
Children’s Hospital of Philadelphia

May 15th
12:30pm

Silver Linings and A New Normal
(Virtual Lecture- Zoom Link: https://zoom.us/j/293160798)

We will celebrate the many creative, innovative accomplishments that have emerged as a result of the COVID-19 pandemic. Building on these achievements, we will formulate what a start to our “New Normal” will look like by leveraging the strengths and positive outcomes of what we have learned as a community and health care system.

Jenny Reese, MD
Associate Professor of Clinical Practice
Section Head, Pediatric Hospital Medicine
Director of Faculty Well-being
Department of Pediatrics, University of Colorado School of Medicine
Medical Director of Provider Well-being
Children’s Hospital Colorado
Who, What, and Why: The Office of Professional Excellence
(Virtual Lecture- Zoom Link: https://zoom.us/j/293160798)

This presentation is designed to introduce participants to the OPE, explain our policies and procedures, provide data around cases managed by our office, and discuss unprofessional behavior.

Jeffrey, Druck, MD
Assistant Dean for Student Affairs
Office of Student Life
Co-Director
Office of Professional Excellence
Professor, Department of Emergency Medicine
School of Medicine, University of Colorado
